

Encrypted message

BRAINFINITY
CHALLENGE 2022
First problem

Dear problem solvers, I want to convey an important message for you from one of the greatest scientists of the 20th century.

However, you will have to put in some serious effort to be able to read it, because it is a coded message. It comprises nine words. Here goes:

95092554935695
9746823985
8157472766
864201318056836195
80094761652075852033
8157472766
8170863890067595
9509174795
864213260704727538922395

If you successfully decode the message, you will win all 30 points. If you have no clue how to decode it, you can ask for help, but any kind of help will cost you 5 points.

For lifeline number one, send SOS to sos1@brainfinity.org.
For lifeline number two, send SOS to sos2@brainfinity.org,
and so on.
